

Mission Statement

The Mission of the Barbering & Cosmetic Arts Department at CCCC is to provide quality education and learning experiences for Barbering & Cosmetic Arts students. For this reason, all services will be performed exclusively by students under the supervision of Barbering or Cosmetic Arts instructors. Patron services are not to be performed by instructors and student assignments will be made in alphabetic sequence without partiality or discrimination.

“With the students’ combined knowledge of hair care product selection and professional technical skills, you will experience the many benefits of hair care while in a relaxing environment.”

– Cosmetology Instructor
